

Designation: D 5038 – 9401

Standard Terminology of Textile Conservation¹

This standard is issued under the fixed designation D 5038; the number immediately following the designation indicates the year of original adoption or, in the case of revision, the year of last revision. A number in parentheses indicates the year of last reapproval. A superscript epsilon (ε) indicates an editorial change since the last revision or reapproval.

1. Scope

- 1.1 This terminology covers the conservation of cultural objects made of or containing textiles.
- 1.2 This terminology may be used by educators, governing bodies, museum directors and professionals, and private and institutional conservators.
- 1.3 This terminology may be used in correspondence, records, and reports pertaining to textile conservation.
- 1.4 When any of these definitions are removed from the context of this standard, insert the delimiting phrase, *in textile conservation*.
- 1.5 For definitions of other terms relating to textiles, see Terminology D 123.
