

Designation: D 5684 – 002

Standard Terminology Relating to Pile Floor Coverings¹

This standard is issued under the fixed designation D 5684; the number immediately following the designation indicates the year of original adoption or, in the case of revision, the year of last revision. A number in parentheses indicates the year of last reapproval. A superscript epsilon (ε) indicates an editorial change since the last revision or reapproval.

1. Scope

1.1 This terminology covers definitions of technical terms related to pile yarn floor coverings. Terms that are generally understood or adequately defined in other readily available sources are not included.

1.1.1 Fig. 1 is included to show the different elements of a tufted pile yarn floor covering.
