

Designation: D 6128 – 9700

Standard Shear Testing Test Method for Shear Testing of Bulk Solids Using the Jenike Shear Cell¹

This standard is issued under the fixed designation D 6128; the number immediately following the designation indicates the year of original adoption or, in the case of revision, the year of last revision. A number in parentheses indicates the year of last reapproval. A superscript epsilon (ε) indicates an editorial change since the last revision or reapproval.

¹ This testing method is under the jurisdiction of ASTM Committee D-18 on Soil and Rock and is the direct responsibility of Subcommittee D18.24 on Characterization and Handling of Powders and Bulk Solids.

Current edition approved May November 10, 1997; 2000. Published October 1998; March 2001. Originally published as D 6128 – 97. Last previous edition D 6128 – 97.
